Canadian Martial Arts Games Committee

A Special Invitation

October, 1999

Dear Friends:

On behalf of the Canadian Marital Arts Games Committee Board of Directors, I would like to take this opportunity and extend to your club an invitation to celebrate the arrival of the new millennium by participating in a historical event, the **Year 2000 CMGC Games** June 25th to June 26th, 2000.

In 1998, the Canadian Martial Arts Games Committee (CMGC) was founded by distinguished Masters of the martial arts community. The CMGC has undertaken the responsibility to host an event that will include representation from all martial arts disciplines with dynamic demonstrations from each of the participating disciplines. The Games are intended to provide an opportunity for all martial artists to demonstrate their skills and abilities through competition and to create unity amongst the martial arts without regard to race, religion, national or ideological boundaries or martial arts style.

The Games are expected to attract more than 1000 martial art competitors, 5000 spectators and a host of media venues. The highlights of the Games will be a demonstration from the famous Chinese Senior Shoalin Monks, Masters demonstrations from several disciplines and the competition finals.
